Our Mission

The Inquiring Mind provides a unique line of interpretation services to business executives and owners with specialty in working with entrepreneurs.

Our clients benefit from authoritative, beneficial and useful tools that bring into consciousness areas of opportunity for growth, both personal and professional.

Everyone benefits by creating a harmonious atmosphere, where both work environment and leisure time are effectively managed, leading to maximum return on investment for all.

Most importantly, we bring the energy into synergy!

Enhancing the Vision

Your mission, if you choose to accept it, is to discover what's preventing you or your business from obtaining your goals, dreams & vision.

Coaching consultant, Stephanie Durham, is a successful business owner with over 25 years experience in the corporate world as a Chief Financial Officer, Human Resources director and business administrator.

Stephanie is also a graduate of the Caroline Myss Education Institute (CMED), where she obtained her Archetypal Consultant certification, and of Bennett/Steller University, where she earned her certifications as NLP Master Practitioner, Hypnotherapist and Life Coach.

An enthusiastic champion of personal and professional enrichment, Ms. Durham most recently took her perpetual quest for knowledge, tools and multicultural life perspectives to Peru, where she studied Andean mysticism and to Ireland, where she studied Jungian philosophy.

In addition to her extensive corporate background, unique education, skills and training, Stephanie has a husband of 20 years and two sons, all who have supported her life's goals, visions, journeys and transformations. She is an active and generous contributor to her community and is committed to the personal and professional enrichment of those she encounters.
